

New York State Public High School Athletic Association

March 14, 2018

Dear Athletic Director,

The New York State Public High School Athletic Association's Scholar-Athlete Team Award Program has been created to recognize outstanding scholastic achievement by varsity level student athletes. We are pleased to declare your school a recipient of this award for the Winter 2018 sports season. With the changes to the program, we are also very excited to be able to award the individuals whose team did not qualify for the team award. Enclosed are the certificates and pins for the teams, as well as the pins for the individuals who qualified.

Pupil Benefits Plan, Inc., our sponsor, joins the NYSPHSAA in recognizing the academic performances you have reported to us.

Congratulations! We look forward to your continued participation in our program. Best wishes for athletic and academic success for the remainder of the 2017-2018 school year.

Sincerely,

Robert Zayas
Executive Director

Kristen Jadin
Director of Special Programs

Dear Coach Dupuis,

I'd like to take this opportunity as Athletic Director to congratulate you on your team's accomplishment of earning the honor of New York State Public High School Scholar-Athlete Team. The New York State Public High School Athletic Association created the Scholar-Athlete Program to recognize Student-Athletes and teams who excel not only on the playing surface, but in the classroom as well. Each sports season NYSPHAA recognizes all athletes and teams with this award who earn over a 90 average for the quarter in which they play a sport. This year, the entire Girls' Varsity Basketball team's earned a combined overall average of 91.1. This is a true accomplishment and a representation of your support and guidance as a coach, and your team's hard work. Thank you for pushing your athletes to earn this award and congratulations to them for earning the award.

Respectfully Submitted,

Daniel D. Brown, NCSP
Athletic Director

Dear Coach Farrell,

I'd like to take this opportunity as Athletic Director to congratulate you on your team's accomplishment of earning the honor of New York State Public High School Scholar-Athlete Team. The New York State Public High School Athletic Association created the Scholar-Athlete Program to recognize Student-Athletes and teams who excel not only on the playing surface, but in the classroom as well. Each sports season NYSPHAA recognizes all athletes and teams with this award who earn over a 90 average for the quarter in which they play a sport. This year, the Girls' Indoor Track team's top seven academic participants (75 percent of the team's participants) earned a combined overall average of 92.39. This is a true accomplishment and a representation of your support and guidance as a coach, and your team's hard work. Thank you for pushing your athletes to earn this award and congratulations to them for earning the award.
