SPECIAL PROGRAMS UPDATE

- Student Outings- Work study programs and Community Outings have begun!
- Medicaid Audit- We were recently reviewed by Medicaid and our Related Service Providers have been doing excellent work with their notes and backup documentation! We are working to collaborate with other district providers to ensure that we can maximize our Medicaid billing.
- Support Plan- Our Support Plan was approved by SED and we are ready to move forward with a goal this year of improving Graduation Rates and lowering Dropout Rates among our Students with Disabilities. We have developed an implementation team that is meeting regularly.
